

## Q-Bond Ultra Strong Adhesive & Filler Powder

Q-BONDKIT

### THE ULTIMATE REPAIR SYSTEM

Fixes almost anything in seconds.

- High quality glue that can be used on it's own
- Heat and oil resistant perfect for vehicle repairs
- Fill holes to be retapped or filed down to paint over

Q-Bond can be used just as an adhesive or with the reinforcing powders that will help you to repair almost anything.

Q-Bond is a two component system used for filling or reinforcing small repairs, where an ultra strong, rock hard result is required. Setting in just 10 seconds, this adhesive / powder format means that filling or securing is a possibility for almost any non-vertical surface.

Uses: Q-Bond is perfect for repairs around the house, car and work place, and can be used to repair most plastics, PVC, tools, toys, bumpers, grilles, radiators etc.

Once fully cured, Q-Bond is suitable for sanding, drilling and painting, meaning a high strength inconspicuous repair is easily achievable.

Bonds with Metal, Brick, Plastic, Ceramic, Stone, Glass, Leather, Rubber, Wood.
