

**'C' Clamp****'C' Clamp with Swivel Tips****Panel Clamp****Fork Jaw Clamp****PRODUCT FEATURES**

- Hardened Chrome Vanadium jaws ensure strong grip on multiple surface shapes and long lasting durability
- Perfect for gripping pipes and bolts
- Chrome molybdenum steel body and handle for durability and rust prevention

Cat No.	Length	Opening
CG24CC	605mm	317mm
CG18CC	455mm	200mm
CG11CC	275mm	100mm
CG6CC	150mm	50mm

Wide opening jaws give great versatility

Cat No.	Length	Opening
CG24CCS	605mm	317mm
CG18CCS	455mm	200mm
CG11CCS	275mm	100mm
CG6CCS	150mm	50mm
CG4CCS	100mm	41mm

Swivel tips are ideal for gripping flat surfaces, and do not mark delicate objects

Cat No.	Length	Opening
CG11FJ	275mm	42mm

Enables quick clamping and alignment of sheet metal and auto bodies

Cat No.	Length	Opening
CG9FJ	225mm	42mm

Holds awkward shapes for welding applications

**Sheet Metal Clamp**

Cat No.	Length	Opening
CG8SM	200mm	45mm

Eases the bending, forming and crimping of sheet metal

**Chain Clamp**

Cat No.	Length
CG20CH	225mm

Chain holds and locks around any shape or size
